January 2023

RESPONSIVE WEBSITES

- I create fully responsive websites from scratch with the help of HTML and CSS.
- I made these sites in a short time.
- Websites will automatically behave responsively according to different screen sizes.
- The site link - 1) <https://siddhant03092001.github.io/Responsive%20site/index.html>
2) <https://siddhant03092001.github.io/new%20project/index.html>
